

## PRESENTER ELIGIBILITY & REQUIREMENTS

To present a poster at the INBRE Undergraduate Research Symposium, students must meet all eligibility requirements:

1. Must be enrolled at the University of Hawaii or an [INBRE Partner Institute](#).
2. Have previously participated in the INBRE Student Research Experience (SRE) Program
  - a. Priority is given to active INBRE Interns, Associates and Scholars who have participated within 1 year prior to the symposium.

If students do not meet the criteria above, we will accept students based on poster capacity, research topic and scheduling. You will be notified of your selection by **March 17, 2025**.

If there are any questions or concerns, please contact [inbre@hawaii.edu](mailto:inbre@hawaii.edu).
